Re: Public Information Request Received by City of Hutchins on December 3, 2009

Dear Mr. Cambre:

As the City Attorneys for the City of Hutchins, Texas, we are responding to your December 3, 2009, correspondence to the City, requesting data relating to citations issued by the City for the past fifteen (15) years.

The City has documents responsive to your request in electronic format dating back to 2002. However, the City's computer system does not have the capability of printing out copies of these responsive documents. The City has contacted one of its independent contractors with the capability to research the City's database and print-out copies of these documents. The cost for this service is \$450.

Please respond to Cheryl Wesley with the City within thirty (30) days from the date of this letter if you wish the City to proceed with obtaining a computer generated program as outlined above and that you will accept the necessary charges. Upon accepting these charges, you will be required to pay the full amount prior to receiving the requested data. Failure to respond within this timeframe will result in your request being considered withdrawn.

Please let me know if you have questions.

Sincerely,

NICHOLS, JACKSON, DILLARD,
HAGER & SMITH, L.L.P.
